Project Demo

Comments

| Feedback | Modification |
|--|--|
| Dropdown list confused users | Fix the dropdown content on the first page |
| Ranking parking lots list | Add the indicator |
| Users did not know if the navigation icon is clickable | Change the icon name to 'Navigate now' and add the indicator |
| Ambiguous footer | Remove unnecessary parts and change the icon to 'Home' |

Project Deliverables

- Our project is well done and ready to delivery
- After the mock trade show, we collect some feedbacks and make the changes based on them
- Few things need to be complete:
 - Poster
 - Final report
